OVER A DECADE OF AUTOMOTIVE EXPERTISE.

At Evay we believe choosing a car is a big decision, so we stay with you at every step: we inspect, compare and advise honestly — then hand over your car and remain by your side.

Since 2012 we have helped clients own the car that truly fits them. We curate with care, present with full transparency and look after you long after handover.

Vision

To be the most trusted destination for anyone choosing a car in the region.

Mission

To simplify the journey of choosing a car with real expertise, full transparency and service that doesn't end at handover.

01
Integrity
We tell the truth, even when it costs us a deal.

02
Precision
No detail goes uninspected.

03
Passion
We love cars, and it shows in our work.

04
Commitment
Our promises are written down and delivered on time.

END-TO-END SERVICE, FROM DAY ONE.

01

Curated sourcing

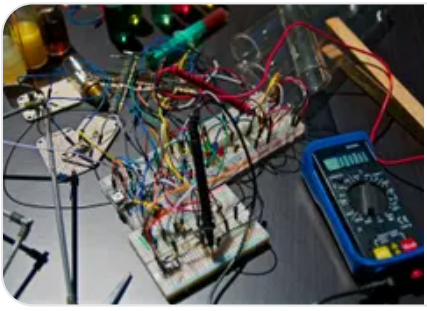

We scan the market and shortlist the models that fit your needs and budget — without the noise.

02

Full transparency

Clear reports, upfront pricing and a complete history before you make any decision.

03

After-sales care

Maintenance, warranty and regular follow-ups — our relationship doesn't end at handover.

FOUR STEPS TO YOUR CAR.

1

Consultation

We listen to your needs, budget and lifestyle.

2

Shortlist

We present the best options with an honest comparison.

3

Inspect & drive

A full inspection and test drive before you decide.

4

Handover & care

We hand over your car and stay by your side.
